

DONALD WESCOTT FIRE PROTECTION DISTRICT

Insurance Services Office Classification

The Donald Wescott Fire District Insurance Services (ISO) Office Fire Protection Classification effective June 1, 2021, is a **2/10**.

- All properties within 5 miles of a fire station and within 1,000 of a fire hydrant are a **Class 2**.
- All properties within 5 miles of a fire station and further than 1,000 feet from a fire hydrant are also a **Class 2**. This superior rating for properties beyond 1,000 of a fire hydrant is because DWFPD maintains an ISO approved water supply using large capacity water tenders.
- All properties further than 5 miles of a fire station are **Class 10**.

All Donald Wescott residences are within the 5 mile radius of a fire station. The addresses of the two DWFPD staffed fire stations are:

Station 1: 15415 Gleneagle Dr, Colorado Springs, CO

Station 2: 15055 Colorado Highway 83, Colorado Springs, CO
